

# NATIVE FOODS: UNVEILING COMMERCIAL OPPORTUNITIES

## WORKSHOP PROGRAM

We recognise and are guided by the *UN Declaration of the Rights of Indigenous Peoples* in facilitating this workshop. In particular, we recognise Indigenous peoples have the right to maintain, control, protect and develop their cultural heritage, traditional knowledge and traditional cultural expressions, as well as the manifestations of their sciences, technologies and cultures, including human and genetic resources, seeds, medicines, knowledge of the properties of fauna and flora, oral traditions, literatures, designs, sports and traditional games and visual and performing arts. They also have the right to maintain, control, protect and develop their intellectual property over such cultural heritage, traditional knowledge, and traditional cultural expressions.
